

Old English Church (Recordings presented with kind permission of Constantine Zalalas)
 (First watch 3 short video documentaries on YouTube - Remembering that Orthodoxy is worldwide and not just in USA)

Conception

When a child is conceived it has a soul. Ideally every child should be conceived in a caring, loving relationship that has been taken to God and blessed in marriage, but, due to man and woman's sinful nature, children are conceived in other circumstances according to their own will, situation and circumstances. This has led to the murder of untold numbers of innocent children through abortion. The environment in which every child enters the world will affect its development for the rest of its natural life.

Matthew 7: 13, 14

Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it.
 "Because narrow is the gate and difficult is the way which leads to life, and there are few who find it."

DEEP HEART

TEARS OF CONTRITION

COMMUNION WITH GOD

THE BRIDEGROOM (CHRIST) MEETS THE BRIDE (OUR DEIFIED SOULS) TODAY!

Genesis 2:7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

The sickness of fallen mankind is cured by the restoration of our darkened souls through deification and re-establishing our true nature, to be 'In Christ'.

All fantasies, especially that of religion, are caused by a short circuit at the centre of the human personality. It is this short circuit which is cured by the illumination of the heart by unceasing prayer, as distinguished from intellectual prayer with the brain at given times. The study of this cure in St. Paul will comprise the heart of this study. When illumination results in glorification then both men and women have been ordained prophets. This is what prophets are in both the Old and the New Testaments and this is what make fathers of His Church. What the prophets have seen above seeing in their glorifications is Yaweh Himself both before and after His incarnation.

This short circuit, which needs curing, exists between the heart, which pumps blood, and the spinal cord, which causes the circulation of spinal fluid. All fantasies are rooted in this short circuit which is nothing more than an electrical short circuit. This malady cuts its victims off from reality at varying degrees. Because of this malady one does not always distinguish between reality and fantasies. Perhaps the most dangerous of these fantasies are religions which claim to have writings dictated by God and understood by a cast of so-called inspired leaders. It is by means of human fantasies that humans remain captive of demonic power especially manifested in religions. Only the blind do not see the fact that religions are one of main sources of social turmoil.

The sickness of fallen mankind is cured by the restoration of our darkened souls through deification and re-establishing our true nature, to be 'In Christ' in [His Church](#).

Levels of Theoria

- 1* The first theoria is the knowledge of the afflictions and temptations of life. It is when man realises the beneficial presence of God and His blessedness in temptations.
- 2* The second theoria is the knowledge of the benefactions of God and the awareness of our sins and passions.
- 3* The third theoria is the knowledge of the sufferings awaiting for us before and after death.
- 4* The fourth theoria is the understanding of the life of Christ before the Passions and of the Resurrection as well as the real knowledge of the words and deeds of all the Saints and martyrs.
- 5* The fifth theoria is the knowledge of the nature and flux of things.
- 6* The sixth theoria is the theoria of beings. It is the knowledge of the uncreated providential energy of God which maintains and enlivens creatures.
- 7* The seventh theoria is perceiving the angels which are the noetic creatures of God.
- 8* Finally the eighth theoria is the theoria-vision of God, the knowledge of God which is called theology. St.Peter Damascene says that the first three theoriae are of the man of praxis (action), that is, of him who is at the stage of purification. The other five are theoriae of man who is at the illumination of the nous. The eighth is the theoria of the age to come and belongs actually to the age to come, but some people are granted to enjoy it in betrothal even in this life.
- 9* Death to the world of sin and passion (see link by clicking [here](#)).
